

Master Li finds you before you can find him, revealing that he's actually a member of the detective team. Despite this, you insist he must be the thief in disguise. Embarrassed, Master Li and the whole team reassure you that he can't be the thief, as he has been protecting the city for years.

Suddenly, your phone rings. An anonymous message appears: "Thank you! Now nobody will celebrate Warrior's Day! Geotopia is soon a lost city!"
