

A woman with long blonde hair is wearing a bright red beret. She has a very expressive, shouting face with her mouth wide open, showing her teeth. Her eyes are squinted, and her eyebrows are furrowed. She is wearing a white sleeveless top. The background is a blurred, light-colored architectural structure, possibly a staircase or a wall with a grid pattern.

You and your detective team head to Geotopia University. As you search the campus, Annie spots you and takes off running. You chase her up five floors and finally catch her at a dead end. She yells, "This is not fair! Why can't I be the one to save the city?"

Later, you found the last fragment in her locker.
